

Joint_SECAP

Joint strategies for
Climate Change Adaptation
in coastal areas

**WORKING TOGETHER WE CAN
ADAPT TO CLIMATE CHANGE**

PROJECT DURATION
01.01.2019 – 30.06.2021

ERDF
1,780,628.88 €

TOTAL BUDGET
2.094.857,50 €

DESCRIPTION

The project will build a common methodology for the definition of Joint Sustainable Energy and Climate Action Plans (SECAP) focused on sharing knowledge on climate change adaptation strategies and mitigation measures. The main project output will be an online tool for the development of Joint SECAP.
