5. A Number and type (SMEs, civil society organisations, general public, etc.) of participants

19 participants, including the PPs representative. Among the external, 1 touristic regional association and 1 University. The press conference was attended by journalists and 2 environmental associations (stakeholders), 3 representatives of institutions and 1 representative of the coastguard.

6. Purpose of the event, outputs and main conclusions

The event was divided into two parts. The kick-off meeting had the task of launching the project, presenting the planned activities and objectives. The kick-off meeting also included the presentation of the Programme's JS, which provided an overview of the programming status. A press conference was held on the sidelines of the kick-off, with the participation of the first citizen of the Municipality of Monfalcone. The second part of the event was reserved for the project staff, who defined their operating methods and identified the priorities in all WPs.
