BUILDING CLIMATE-RESILIENT COMMUNITIES THROUGH BETTER GOVERNANCE

WHERE PROBLEMS MEET SOLUTIONS

September 18, 2026

AGENDA

10:00 – 10:15 WELCOME SPEECH

Matej Mikulić (AGRRA)

10:15 – 10:30 INTRODUCTION TO GREW PROJECT AND MARKETPLACE

Maria Chiara Tosi (IUAV)

10:30 – 11:30 THINKING LIKE A WETLAND FOR ADAPTING COMMUNITIES TO CLIMATE CHANGE

Giancarlo Gusmaroli (IUAV) and all participants

A dynamic session alternating between short presentations from speaker and interactive discussions among participants across three steps:

- *Climate Change impacts on Adriatic wetlands (20')*
- *Governance challenges for Climate Change Adaptation (20')*
- *Wetland Contract role for building resilient communities (20')*

11:30 – 11:45 SHORT BREAK

11:45 – 12:30 LEARNING FROM EXPERIENCE, TRUSTING IN PEOPLE, INSPIRING NEW ACTION

All GREW's Project Partners

Each speaker presents (5' each) a Wetland Contract case study implemented in GREW as part of a Climate Change adaptation process

12:30 – 13:00 OPEN DISCUSSION AND WRAP UP

All participants

Project partners
