

## PROGRAMMING TASK FORCE

4th MEETING – 18th MAY 2021 *online*

---

### *Main decisions:*

---

#### **1. Local consultation webinars: follow up and results**

Acknowledgment of the results of the local consultation webinars and the stakeholders' survey with given suggestions and comments.

#### **2. Territorial and socio-economic analysis (including SWOT analysis)**

The Task Force acknowledges the final draft of the territorial and socio-economic analysis and agrees to provide the comments/observations or requests for fine tuning and improvement of the document to the Managing Authority by both delegations within May 25th. The finalization of the territorial and socio-economic analysis is confirmed by the end of May 2021.

#### **3. Process for the identification of 2021-2027 strategic territorial and thematic scenarios**

Acknowledgment of the presentation of the process for the identification of 2021 – 2027 strategic territorial and thematic scenarios and agreement on the next steps. The proposed methodology for the identification of the scenarios and the scoring criteria is also agreed. It is decided to send by 19th of May the examples of other 4 scenarios in addition to the “continuity scenario” (5 in total) in order to collect the Task Force's comments before the 5th Task Force meeting.

#### **4. Joint Secretariat Paper 1**

Acknowledgement of the presentation of the document “Paper 1” prepared by the Joint Secretariat.
