2021-2027 Consultation Process

IT-HR CONSULTATION PLAN:

Involvement and consultation of the partnership within the programming process

- Compliance with **European code of conduct on partnership** in the framework of the European Structural and Investment Funds;
- **multilevel governance principle**: partners involved in the preparation, implementation, monitoring and evaluation activities of the Programme;
- the involvement of the partnership will be arranged on **the following levels**:
 - **local actions**
 - **cross-border level**

3 main actions to involve the partnership and stakeholders:

- 1) Information**: disseminating the main information on the Programme website (specific section 2021-2027);
- 2) Consultation**: direct involvement of stakeholders through surveys and interviews concerning the Programme strategy and objectives to be included in the 2021-2027 Programme;
- 3) Involvement**: active and ongoing discussion with the involved stakeholders through traditional and social media channels and interviews for the fine tuning of the 21-27 IP.

IT-HR CONSULTATION PROCESS - 1ST STEP: **LOCAL CONSULTATION** (April 2021)

IT-HR CONSULTATION PROCESS - 1ST STEP: LOCAL CONSULTATION (April 2021)

The following **4 macro-areas** were analysed through on-line survey & polls:

- a) **Analysis** of the **needs** of Programme territories;
- b) **New policies**: objectives & key priorities proposed by the European Commission for the period 2021-2027 in its draft Regulations;
- c) **EUSAIR Flagship Projects**, with a particular focus on their expected impact and proposed actions/projects;
- d) **Innovation** in the **procedures**, types of calls

For more info about the results please consult the IT-HR website [here](#)

Procedure *For* collecting the SH's opinion

Territorial and socio-economic analysis

Stakeholders' opinion included in a **specific paragraph** of each domain and its **Annex 4**

WP 1/2021

Approval of the set of questions

On line survey

Sent to the Stakeholders' mailing list **before the webinars**

Survey results: current weaknesses and needs per each domain

Local webinars

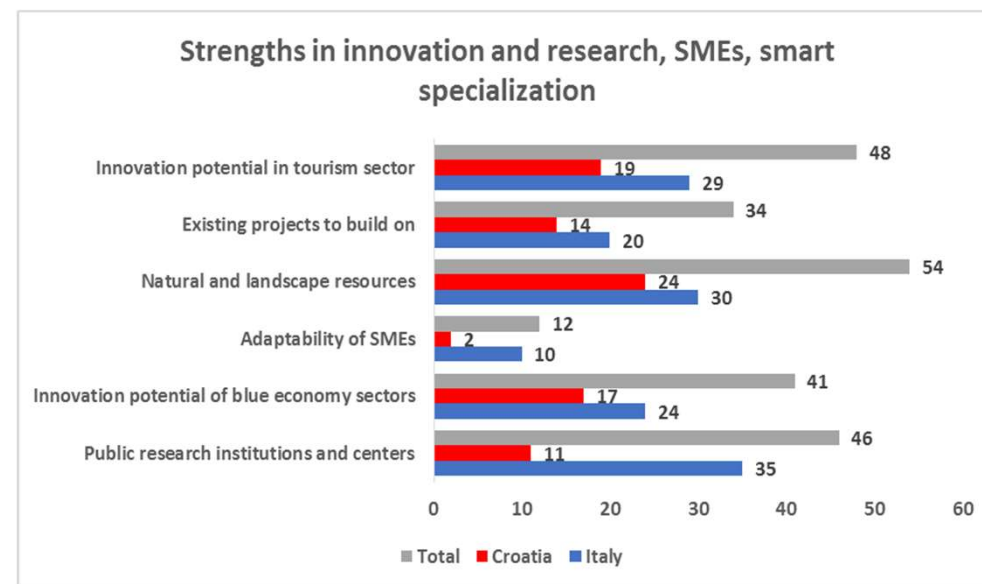

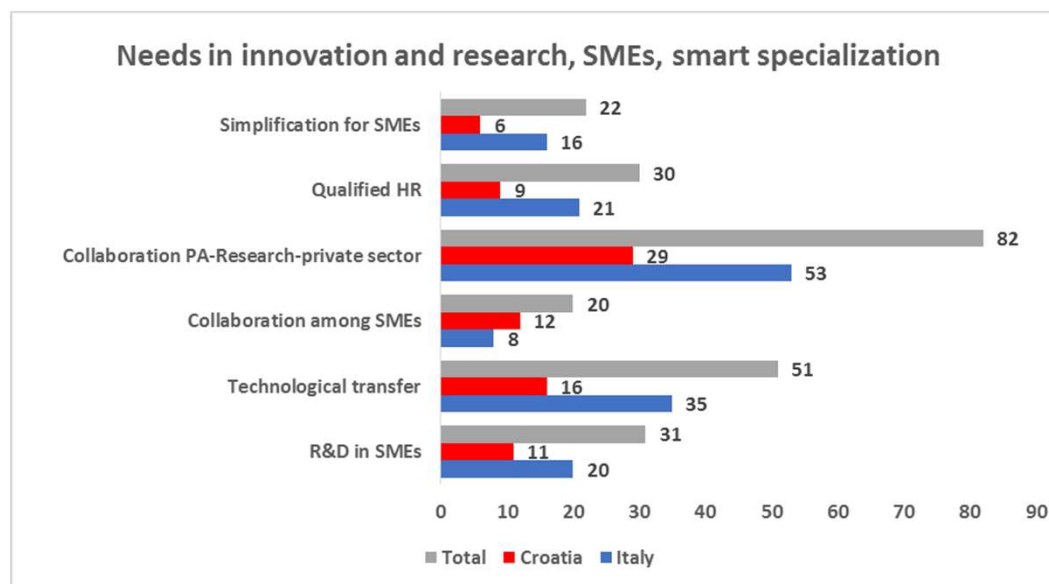

The stakeholders voted for the keywords selected for each domain (**instant polls**)

Common keywords

The evaluator collected all the It-Hr answers and identified **common keywords** for each domain

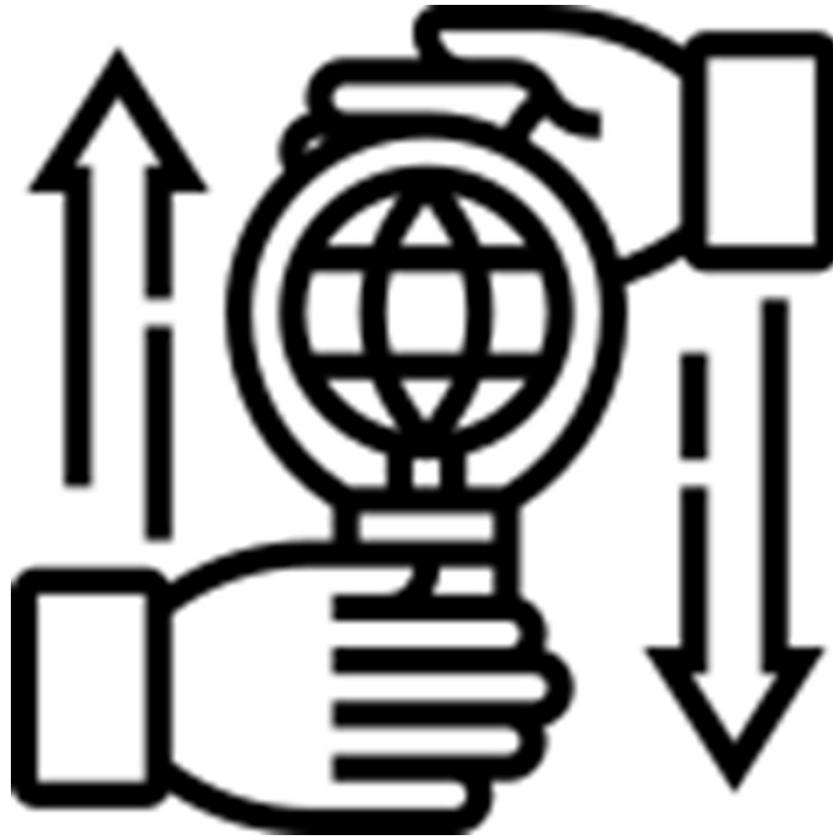

Territorial Analysis: ANNEX 4 - Synthesis of the webinars realized with the stakeholders

- **Analysis** of the **answers** received during the live poll organized in occasion of the 2 webinars with Croatian and Italian local stakeholders

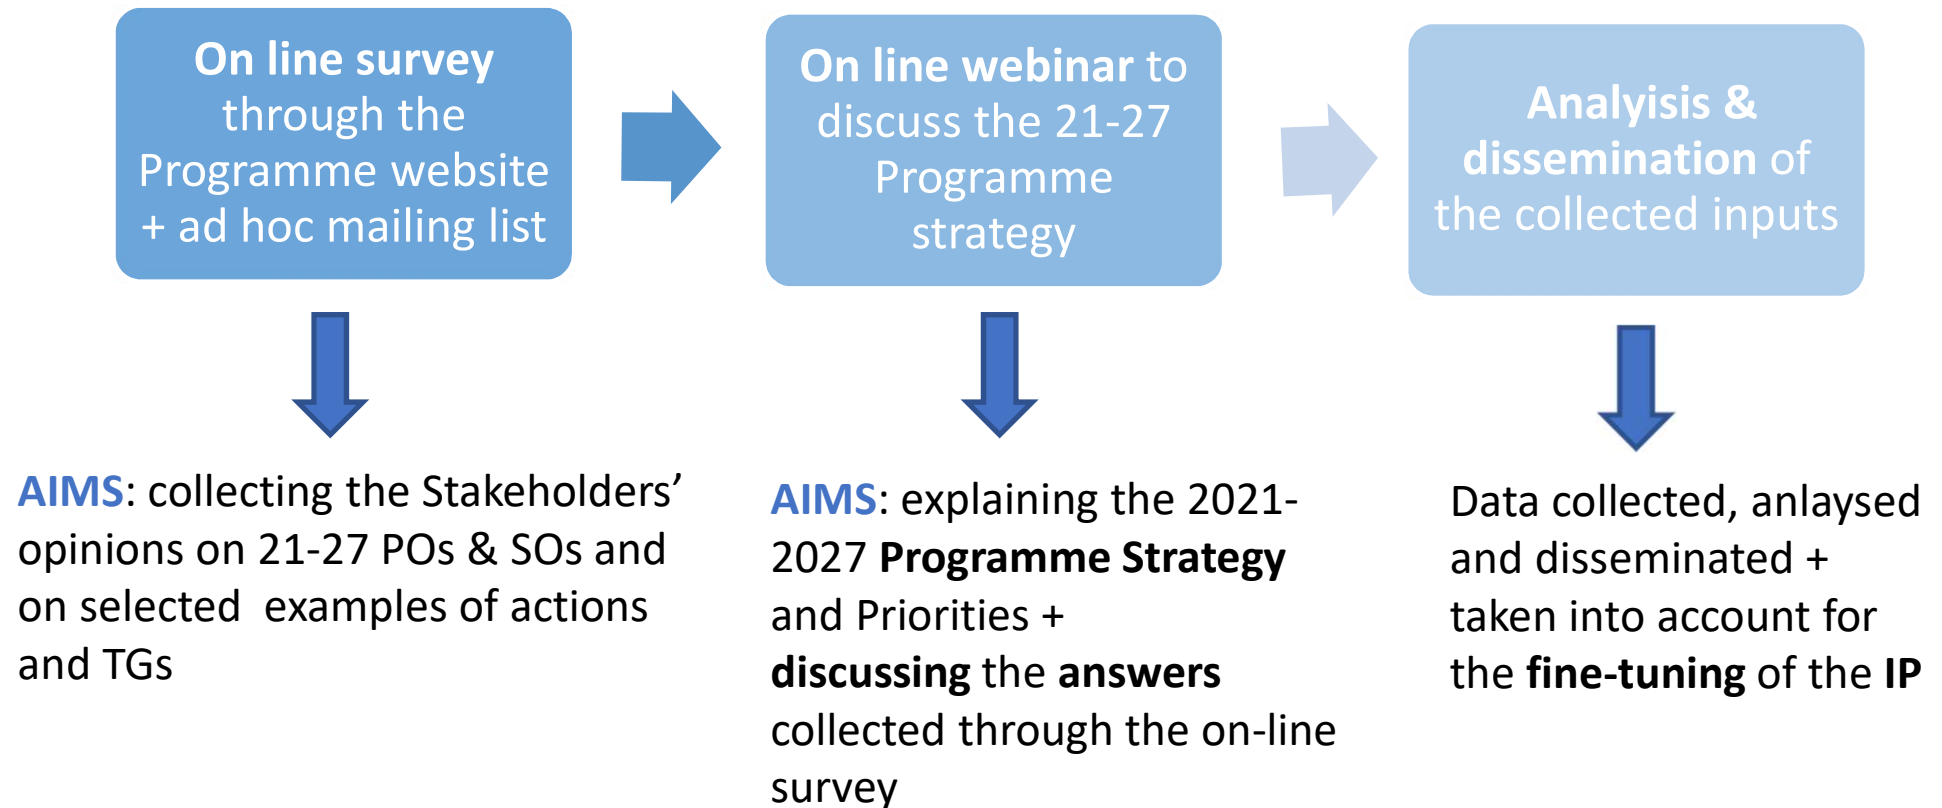

- **Keywords** representing respectively **needs** and **strengths** of the area in specific thematic domains and selected by the evaluator based on the participants preliminary open answers to an online questionnaire
- The **graphs** represent the **combined result** of polls held in the 2 Countries.

IT-HR CONSULTATION PROCESS – 2nd STEP: **CB CONSULTATION** (Sept.- Oct. 2021)

1. METHOD of the CBC consultation

2. TARGET GROUPS of the CBC CONSULTATION

- **Wider public;**
- Specific groups of stakeholders, divided according to the selected POs and SOs;
- 2 main categories:
 - **GENERAL PUBLIC:** addressed through the IT-HR Programme website, the NDs' support, specific mailing lists identified for some relevant sectors (i.e. NGOs)
 - **RELEVANT STAKEHOLDERS:**
 - 2014-2020 LPs of It-Hr & ADRION Programme financed/unfunded projects + EUSAIR representatives (= mailing list agreed by the TF for the local consultation);
 - territorial stakeholders (representatives from Italian Regions and Croatian counties and representatives from national coordination authorities: contact persons addressed by the evaluator's interviews).

3. ON-LINE SURVEY: thematic focus and structure

PURPOSES:

- Measure the stakeholders' preference (on a scale from 1 to 5) with regard to 21-27 Interreg IT-HR Programme's POs and SOs (to be considered to decide the financial allocation);
- Collect concrete inputs and ideas on examples of actions and target groups

STRUCTURE OF THE SURVEY:

1° PART

- Identification of the participant

2° PART

- Assessment of POs and SOs

3° PART

Assessment and/or
proposal of
examples of actions
and target groups

4. CBC CONSULTATION WEBINAR: thematic focus & purposes

Main focus: presentation and discussion of the **2021-2027 INTERREG IT-HR Programme strategy**

Different sessions:

- **Plenary:** presentation of the Programme strategy and of the programming & consultation process;
- **Specific sessions:** addressed to stakeholders divided taking into account their experience and competence to analyse the examples of actions and target groups per each SOs;
- Use of **poll system**

MAIN AIM: collect the SHs' suggestions related to the examples of actions and target group for the fine tuning of the IP to be sent to the EC
