

IT-HR PROGRAMME 2021 - 2027

LOCAL CONSULTATION ITALIAN STAKEHOLDERS

On-line | 16 April 2021

MACRO AREA D

ETC REGULATION 2021 - 2027

- The new regulation foresees for **Interreg CBC Programmes** the new provisions of **operations of strategic importance (art. 17)** and of **projects of limited financial volume (art. 24)**
- A list of **planned operations of strategic importance**, with a timetable, shall be provided when submitting the Programme to the EC
- **Projects of limited financial volume** (smaller budget) shall be foreseen in the Programme

ETC REGULATION 2021 - 2027

Among the **simplifications** included in the new regulation, a wider use of Simplified Cost Options (SCOs) shall be mentioned:

Staff costs (main options)

- ✓ flat rate of up to 20 % of other direct costs
- ✓ unit costs

Travel and Accommodation costs

- ✓ flat rate of up to 15 % of the direct staff costs

Office and administration costs

- ✓ fixed percentage of staff costs

D1) INNOVATION IN THE PROCEDURES

TYPES OF CALLS

Current programming

STANDARD call (1 Call; 50 Projects)

- Regular Bottom-up approach
- Acknowledgement of a problem/ need and testing a solution
- Synthetic thematic description

STANDARD + call (1 Call; 22 Projects)

- Bottom-up approach
- Stemming from existing cooperation potentials
- Capitalization of projects realized in the previous PP

STRATEGIC call (1 Call; 11 Projects)

- Top (National level) down approach
- Well defined thematic concepts
- Large partnership involved
- Bigger budget, longer duration
