

THE TRIAL OF THE GUARDIAN OF NATURE

To join the Alliance, this time you will have to face your challenge alone, without anyone's help. Just you against Lord Thermon!

Roll the die and discover your mission:

Result 1-2: imagine you are a rare species, what would you ask humans to do for you?
 Result 3-4: think of a concrete action to protect nature.
 Result 5-6: if you were a superhero, what power would you want to have to save Nature?

Present your answer to the other players. If your proposal is voted as valid, you will receive the title of 'Guardian of Nature' and you can win!
